NEW! MPM GreenQleaner 99000

MPM proudly introduces the MPM GreenQleaner, an environmentally friendly, powerful multifunctional cleaner with no hazard labels or storage restrictions. The MPM GreenQleaner is exceptionally safe for users and materials.

This efficient cleaner and degreaser are ideal for quick and effective cleaning and degreasing of (light) metal, plastic, glass, ceramic, fabric car upholstery, textiles, and painted surfaces. In fact, the MPM GreenQleaner can replace 90% of the applications of traditional brake cleaners. The MPM GreenQleaner comes in a convenient trigger spray.

MPM GreenQleaner carries the "EU Ecolabel" and is certified according to the strictest European legislation. As a result, MPM GreenQleaner is highly safe for users and materials and is no burden to the environment.

Packaged in boxes of 8 units, with 4 units equipped with a trigger spray and 4 units with a cap, we ensure even lower environmental impact. The trigger spray contains no metal components, making it highly recyclable.

The product offers the following features/benefits:

- Non-flammable
- Non-toxic
- Non-corrosive
- Biodegradable
- Active enzyme technology
- "EU Ecolabel" certified (NL/020/055)
- No hazard symbols
- No transport or storage restrictions
- Ready to use
- Suitable for industrial and household use
- Applicable to virtually any surface.

Packaging units:

ART. NO.	VOLUME	PER PALLET
99750.BOX	8 x 0,75 L	65

The first orders are delivered in trigger sprays only so that they can also be used as "try outs".
